

Bitto, the everlasting cheese (Italy)

Directed by: Annamaria Gallone

Produced by: Kenzi / Slow Food Foundation for Biodiversity

Duration: 26'

Versions:  

Format: SD

It's milking time and as the cheesemakers in the valleys of Albaredo and Gerola in the province of Sondrio know, that means Bitto: a traditional cheese made out of love, dedication and a piece of Alpine turf, the only one that is universally recognized for its capacity to age for ten years.
