FOAL: Hi everyone! After spending eleven months in mum's tummy, it's time for me to come out! It's been pretty hard, right mum?! Just born and I already weigh more than forty kilos! Ok, now I'm going to get up...whoah! I didn't know it was so difficult! whooooooah... Here we go! Well, you humans take a whole year to learn to walk...and perhaps thanks to my having four legs, I only needed a few hours!
