

Chamois

Directed by: Lodovico Prola
Produced by: SD Cinematografica & Ditta Prola
Duration: 8'
Versions: 
Format: SD

I want to introduce myself: I am the chamois. Years ago, only 20 of us were left in the mountains of the Abruzzi region of Italy!! What a disaster. Luckily, a park has been built just for us, and now there are almost 600 in our group. We run fast in the mountains...Follow us so we will tell you our stories that'll love very much!
