

Elephant

Directed by: Lodovico Prola
Produced by: SD Cinematografica & Ditta Prola
Duration: 8'
Versions:  
Format: SD

Do you recognize me? I'm the largest animal on Earth! My incisors have turned into precious ivory tusks. Human beings are jealous of them. Unfortunately, they are so beautiful that we are hunted for them. I breathe, communicate, explore the world and drink with my trunk...We live in groups and it's we females who give the orders!
