

Seal

Directed by: Lodovico Prola
Produced by: SD Cinematografica & Ditta Prola
Duration: 8'
Versions:  
Format: SD

A long time ago, I lived on dry land and looked sort of like a bear. Then I decided that I enjoyed being in the water and chasing fish. Eventually my body adapted and little by little my paws began to look like actual fins, and for this reason, along with walrus and sea lions, they call us all fin-feet.
