

# Swallow

**Directed by:** Lodovico Prola  
**Produced by:** SD Cinematografica & Ditta Prola  
**Duration:** 8'  
**Versions:**    
**Format:** SD

I am a swallow! One fine morning we leave for the great migration: 10 thousand kilometres in 6 weeks... we're going to Africa!! I love to eat flies, midges, mosquitos and every kind of insects. We are useful animals but nowadays we are rare because of insecticides.
