

The return of the chamois

Directed by: Emanuele Coppola

Produced by: Panda Film

Duration: 30'

Versions: 

Format: SD

High altitude is the kingdom of the Abruzzo chamois. Disappeared from the Majella more than a century ago at the hands of unscrupulous hunters, this beautiful animal risked its extinction in Italy. Today, in the Abruzzo National Park, there are many packs constituted by hundreds of individuals, therefore the Abruzzo Park managers decided to promote the transfer of some of these animals in the other mountain chains in Abruzzo.
