

Born in the brothels

Directed by:
Produced by: Current Italy SRL
Duration: 30'41"
Versions:  
Format: SD

In India prostitution is a job that passes on from mother to daughter. In this episode we will get to know the faces and the stories of those girls who will never know any other life but the one in the brothels. Stories of people whom life has not given them any other choice but to sell their own body.
