

# The tree

---

**Directed by:** C. Carlotto, D. Cini, G. De Fiore, G. Mammolotti

**Produced by:** SD Cinematografica

**Duration:** 13'

**Versions:** 

**Format:** HD

What does the tree represent in human culture? Besides practical aspects such as supplying wood, fruit, leaves and shade, the tree has served man as the subject of every sort of fantasy. Walnut trees housed witches and the door to the other life opened through the hollow trunk of an olive tree. Understanding how the tree has stirred our imaginations, can perhaps help us to understand ourselves better. It can certainly help us develop a more direct relationship with the plant kingdom.
