

# The biological alternative

---

**Directed by:** E. Armati, F. Armati  
**Produced by:** SD Cinematografica  
**Duration:** 13'  
**Versions:**   
**Format:** HD

The defeat cunning, creeping enemies like the parasites who attack farm crops, there are other means besides chemicals. In order to avoid poisoning ourselves, new strategies are becoming more frequently used. This is called the biological alternative. The concept is simple: it is enough to ally ourselves with the natural enemies of these parasites and help them destroy the enemies of man. The camera of Nando Armati went snooping into the most advanced techniques in the biological battle. We see bands of ravenous plunderers being bred with great care and then launched at the right moment against the infesting insects.
