

# Stories from the Val d'Aosta mountains

**Directed by:** Piero Cannizzaro  
**Produced by:** SD Cinematografica  
**Duration:** 26 min.  
**Versions:**   
**Format:** HD

The charm of the Val d'Aosta mountains is timeless: simply stop in the ancient capital of the valley and look upward and gasp, enchanted by the beauty and hues of Europe's highest peaks. The Matterhorn, the Gran Paradiso, Mont Blanc and Monte Rosa frame the blue sky and make the valley - with its approximately 330 km of mountains - one of nature's masterpieces, with its glaciers, forests and valleys stretching as far as the eye can see.
